

# R050 Magnetic Power Bank

## MAGNETIC UNTETHERED FAST CHARGING

### R050 Magnetic Power Bank

The R050 power bank features 5,000mAh capacity and utilizes high-efficiency lithium polymer batteries, allowing for magnetically adhered wireless charging of two devices simultaneously. This power bank was specifically designed for MagSafe iPhones and Android phones that support wireless charging. The R050 supports PD/QC 20W fast charging while its built-in LED charge indicator reminds you when battery power is low with a flashing warning. The back plate contains a foldable stand that can be deployed in a flash to free up your hands when watching videos or playing games. The R050 also includes multiple circuit protection mechanisms, providing round-the-clock charging with peace of mind!

#### Convenient Magnetically Attached Wireless Charging

The simple and stylish R050 was specifically designed for MagSafe iPhones and Android phones\* that support wireless charging. Wireless charging is as easy as lightly attaching the power bank to your phone via its magnetic backing.

#### Efficient PD/QC 20W Fast Charging

The USB-C interface supports a maximum output of 20W and wireless charging has a maximum output of 15W. It is backwards compatible with 10W/7.5W/5W Qi wireless charging, allowing efficient and fast charging on the go!

\*Android phones must support the Qi fast charging protocol. If you require magnetic attachment, please purchase a magnet compatible phone case.

### Concurrently Charge Two Devices

The R050 can charge two devices at the same time with a maximum output of 15W. Four LED indicators show power status at a glance to easily track charging status.

### Free Your Hands Free Yourself

The thoughtfully designed back plate folds into a foldable stand in a flash, allowing you to watch videos while charging. The R050 is lightweight, easy to carry, easy to store, and frees your hands for multi-tasking.

### Unleash Simultaneous Charging and Gaming

The R050's powerful magnet attaches firmly to your phone. Playing games and charging horizontally is no problem as you say goodbye to tangled cables!

### Multi-Circuit Protection

The R050 sports intelligent internal circuitry that protects against over-charge, over-discharge, over-temperature, short-circuiting, over-voltage, and over-current, giving you complete peace of mind.

## Features

- Portable magnetic wireless charging
- QC/PD 20W fast charging
- Simultaneous 2-device charging
- Integrated foldable stand designed into back plate
- Multiple circuit protection mechanisms

## Ordering Information

Color	Model Number	EAN Code
Black	PR050-11BK	4711085945983
Pink	PR050-11PK	4711085949271
Light Blue	PR050-11LB	4711085949264

## Specifications

- Capacity: 5,000mAh (19.25Wh)
- Rated Capacity: 5V / 3100mAh, 9V / 1600mAh
- Battery: Rechargeable Li-Polymer battery
- Color: Black / Pink / Light Blue
- Dimensions (L x W x H):  
105 x 67 x 13.9 mm / 4.0 x 2.6 x 0.5 inch
- Weight: 148g / 5.2oz
- Input: USB-C: DC 5V / 3A, 9V / 2A, 18W Max
- Output: USB-C: DC 5V / 3A, 9V / 2.22A, 20W Max  
Wireless Charge: 5W / 7.5W / 10W / 15W
- Max. Output: USB-C + Wireless Output: 15W
- Accessories: USB-C Cable, User Manual
- Warranty: 1 year
