Ergonomic Design Mouse Pad with Wrist Rest

G-WMP100 is a mouse pad with soft & comfortable wrist rest, providing comfortable support to your wrist. It keeps the wrist in proper position and relieve wrist fatigue caused by continuous typing. In addition, the rubber base stays in place to provide soft support without sliding.

The non-slip rubber base of G-WMP100 grips the desktop firmly. Therefore, it prevents the mouse pad from sliding on the desktop. It is suitable for the crowd: long-term use of computer office workers, white-collar, Internet cafes, or gamers.

Proper Size and Decent Material

The working area fits for most mice. Its fabric surface provides smooth mouse glide and accurate mouse tracking movement.
